**Information related to a share-based operation undertaken by the Alstom Chairman and CEO**

On 12 December 2018, Mr Henri Poupart-Lafarge subscribed for 45,980 Alstom shares under the Options plan set up on 13 December 2010. This operation took place, the day when the concerned plan expired, after having consulted the company's Chief Compliance Officer. Mr Henri Poupart-Lafarge informed the *Autorité des Marchés Financiers* as legally required.

This operation enables Mr Henri Poupart-Lafarge to increase his shareholding in the company with the goal notably to comply with the registered shares holding requirement, provided by the company's executive corporate officer remuneration policy and set in line with Article 22 of the AFEP-MEDEF Code to which the company refers.
