The Purchaser has the right to instruct the Supplier to commence the changes prior to having finalised the adjustment to the Change Order. In the absence of a notification by the Supplier in accordance with this Article 5.1, the Supplier shall be deemed to have waived its rights for an adjustment and shall carry out the change, and the Purchaser shall be entitled to assume that such change will not have any impact on any material term of the Contract, including time schedule, warranties and price.

5.2 The Supplier shall not make any changes to the Goods and Services or any provision of the Contract without the Purchaser's prior written consent.

Once the Supplier's design of the Goods is frozen and final, the Supplier shall not be entitled to make any change to such design thereafter without having obtained prior written agreement by the Purchaser. Should the Supplier proceed with such deliveries without the Purchaser's consent, the Supplier shall reimburse the storage cost incurred by the Purchaser pending full delivery or delivery at the agreed delivery date.

Delivery of the Goods shall not be deemed to have occurred if the Goods are not fully compliant with all the terms and conditions of the Contract, unless the Purchaser expressly agrees otherwise in writing.

7.3. Any delivery of Goods shall be accompanied by the Supplier's delivery note, dated, bearing references of the Contract and indicating in particular the details of the Goods delivered, the contents of the parcels therein, their gross and net weight, method of transportation, date of dispatch, as well as the rail wagon number or vehicle registration number if relevant. 7.5. Upon receipt of the Goods and/or completion of the Services, the Purchaser may, at its sole discretion, inspect the same or any part thereof at that time or at any time thereafter. If the Contract includes the carrying out of tests on the Goods after its receipt by the Purchaser, then the Goods shall not be deemed complete until such tests have been passed to the satisfaction of the Purchaser.

Any approval of a test by the Purchaser, any Purchaser inspection shall in no event relieve the Supplier from any liability nor imply the Purchaser's acceptance of the Goods and/or Services.

7.6. The acceptance shall only be considered as definitive when such tests have demonstrated the compliance of the Goods and/or the result of the Services to the

requirements defined in Article 4.3. The tests report shall include the configuration of the elements being subject of the relevant test.

Where the Contract provides for an acceptance procedure in the presence of both Parties, at the end of such procedure, the Parties shall sign an acceptance certificate if they agree on the compliance of the Goods and/or result of the Services with the terms of the Contract and particularly with the requirements of Article 4.1. Such acceptance certificate shall be produced in two (2) originals.

Signature of the acceptance certificate without any reservations by the Parties shall authorize the Supplier to invoice the Purchaser under the terms of payment due on acceptance date.

The Purchaser may pronounce the acceptance of whole or part of the Goods and/or the result of the Services, subject to reservations for all or part of the Goods and/or the result of the Services in question depending on the circumstances under the sole assessment of the Purchaser and if the non-compliances are revealed to be of an insignificant nature, especially if they do not affect the safety and/or use of the Goods and/or their environment. The Supplier undertakes to remedy any non-compliances revealed in the certificate within the deadline that it is stipulated therein. In such case all or part of payment due upon acceptance date may be withheld by the Purchaser until it has been established by both parties that the Goods and/or Services in question have been made compliant.

7.7. Concessions (or Waiver) Should Supplier identify or have good reasons to suspect a Non-Conformity prior to the delivery of the Goods or performance of Services that Supplier considers as minor, the Supplier shall promptly inform the Purchaser thereof and may seek a Concession from Purchaser to deliver the Goods or Services. Any given Concession may only cover a single type of Non-Conformity. Supplier shall, in its Concession request, describe as precisely as feasible the Non-Conformity, its consequences, the corrective or curative measures and the planning for their implementation to be carried out by the Supplier.

Delivery by Supplier of the Non-Conforming Goods and/or Services shall be conditional upon the prior grant of the Concession by Purchaser at its discretion. The grant of a Concession shall be without prejudice to the Purchaser's right to have repaired/replaced the Goods delivered subject to the Concession.

Should Purchaser grant the Concession, it may invoice a lump sum amount of one thousand Euro (1,000 €) per Concession as an administrative fee.

The present clause is further detailed in the Supplier Quality Manual.

8. DELAY

8.1. Time is of the essence. Delivery must be done within the time specified in the Contract. The date(s) or deadlines for the performance of the Services and/or delivery of the Goods specified in the Contract are compulsory and shall constitute a substantial condition of the Contract.

8.2. If the delivery of the Goods and/or performance of the Services is likely to be delayed, the Supplier shall notify the Purchaser accordingly immediately in writing. The notification shall include the Supplier's proposal for acceleration of the progress to achieve the delivery date(s). Measures for expediting progress shall include the use of additional manpower and material, multiple shift and weekend work, premium means of transport (such as airfreight). The costs of the acceleration measures shall be borne by the Supplier, unless it is established that the Purchaser is responsible for the delay and shall specify in writing the measures it has adopted or proposes in order to minimize the consequences of such delay.

9. PENALTIES

9.1. Penalties for delay

9.1.1. If the Supplier fails to comply with the dates or deadlines for the delivery of the Goods and/or performance of the Services specified in the Contract, except for reasons attributable to the Purchaser, the latter is entitled to apply penalties, without any prior official notification, from the moment any date or deadline has been reached.

9.2 Other form of penalties

9.3 Terms of application

These penalties are cumulative and deemed to be incentive and consequently are not exclusive of any remedy the Purchaser is entitled to under the Contract. These penalties do not constitute any waiver by the Purchaser of the right to terminate the Contract and/or to ask a compensation for any loss suffered.

10. NON-COMPLIANCE – REJECTION OF DELIVERY

10.1. If, when they arrive at the Purchaser's premises or any other place agreed between the Parties, the Goods and/or the result of the Services are considered as non-compliant with the Purchaser's expectations as described in the Contract, the Purchaser may reject all or part of them. The delivery shall then be considered as not having been made.

10.2. In this case, the Purchaser reserves the right (i) to require the Supplier to replace or repair the rejected Goods and/or the result of the Services, within the deadline laid down by the Purchaser, or (ii) to perform itself or have performed the said replacement or repair by a third party of its choice, in accordance with the provisions of Article 10.3, or (iii) to retain the Goods and/or the result of the Services subject to a rebate, or (iv) to terminate the Contract in whole or in part in application of Article 22. In all cases, the totality of the costs and risks shall be borne by the Supplier.

In the case defined in Article 10.2 (ii), the Purchaser may choose to remedy the non-compliances by itself and/or to assign to a third-party company of its choice for the repairing or remedying, at the Supplier's cost and risks, after an official notification to remedy the non-compliance addressed to the Supplier by registered letter with fifteen (15) days' notice has remained unfruitful. The Supplier shall then facilitate the interventions of the Purchaser or third-party company in optimum conditions and particularly to remit to them the tools, drawings, studies and any other documents and associated intellectual property rights necessary for the production of the Goods and/or execution of the Services.
